All Players are required to wear masks and comply with all Covid Protocols.

CLUB IMPROVEMENTS

Large working bees have enabled the completion of the Wind Shields and Sunshades for A Green. These improvements will improve playing conditions and have enhanced the entrance to The Horsham City Bowling Club.

Well-done to the members who contributed to this great team effort.

All the necessary services for D Green will be installed by the end of October.

Please check out the Club Website as Trevor keeps it up to date.
